

CLARK COUNTY SCHOOL DISTRICT REGULATION

6172

DRIVER EDUCATION

- I. Driver education programs will be established in the secondary schools of the District as provided in Nevada School Law. The purpose of the driver education programs shall be to develop the knowledge, attitudes, habits, and skills necessary for the safe operation of motor vehicles.
- II. It is provided that the programs shall be generally self-supporting with a student fee charged to cover all expenses of the behind-the-wheel portion of the program. The District shall carry insurance against any liability arising from the use of motor vehicles in connection with the driver education course. Students must obtain a learner's permit issued by the Drivers' License Division of the Department of Motor Vehicles prior to receiving behind-the-wheel training.
- III. Procedures for operation of driver education programs are detailed in the Driver Education and Training Operations Manual.
