

CLARK COUNTY SCHOOL DISTRICT POLICY

1223

FUND RAISING

- I. The Clark County School District discourages fund raising involving students for projects other than those directly connected with school related activities and projects of parent organizations. Only those fund raising activities approved in accordance with standards set by the Superintendent are permitted.
- II. The District assumes responsibility for funds raised by student organizations and deposited in approved Clark County School District accounts. The District disclaims responsibility for all other funds raised by students for any cause or purpose; no such monies may be deposited in a district account.
