

CLARK COUNTY SCHOOL DISTRICT POLICY

P-5116

STUDENT ASSIGNMENT WITHIN SCHOOLS

- I. Principals are responsible for the assignment of students in their schools to appropriate grades and classes.
 - A. Initial assignment will be on the basis of the student's grade placement at the time of transfer.
 - B. Change of student grade assignment will be made only after a reasonable effort has been made to consult with the student's parent or legal guardian and appropriate school staff.
- II. Principals at each middle school or junior high school with an enrollment of 500 or more pupils shall provide a program of small learning communities for the incoming middle school or junior high school pupils.
- III. Principals at each high school with an enrollment of 1,200 or more shall provide a program of small learning communities for students enrolled in the ninth grade.
