

CLARK COUNTY SCHOOL DISTRICT REGULATION

6171

SUMMER SCHOOL

- I. An annual summer school program for elementary and secondary school students who may wish to participate shall be conducted. Summer school is not a part of free public education and tuition may be charged.
- II. Summer school may be an extension of any programs conducted during the school year. Programs may be offered to provide remedial, regular, or enrichment instruction, and programs for special or handicapped students.
- III. The regional superintendents will assign administrative responsibilities, including on-site administration and supervision, for the summer programs in accordance with identified needs.
