

CLARK COUNTY SCHOOL DISTRICT REGULATION

7224

PLAQUE FOR EDUCATIONAL FACILITIES

- I. The superintendent shall provide a plaque for each major educational facility upon completion of the construction project. All plaques shall indicate the name of the facility, the year the project was completed, and shall bear the names of the following:
 - A. Members of the Board of School Trustees and the Superintendent of Schools at the time the construction contract is awarded and at the time the project is completed. If the membership of the Trustees or Superintendent of Schools change, all individuals shall be named on the plaque.
 - B. Architect assigned to the project.
 - C. General contractor assigned to the project.
