

CLARK COUNTY SCHOOL DISTRICT POLICY

5124

EXAMINATIONS AND EQUIVALENT CREDIT

- I. The Clark County School District recognizes that tests and examinations assist teachers in periodically evaluating student progress. Administrative regulations will be developed governing classroom examinations.
- II. The District also recognizes the potential for achieving educational goals through community resources, and shall provide for educational opportunities outside the instructional programs of the Clark County School District. Consistent with this policy and in accordance with regulations of the Nevada Board of Education, credit toward a high school diploma may be granted for qualifying educational experiences occurring in the community.
- III. Administrative regulations will also be developed governing the evaluation of and granting of credit for educational experiences outside the normal school setting.
