

CLARK COUNTY SCHOOL DISTRICT POLICY

6150

INSTRUCTIONAL MATERIALS AND SERVICES

- I. The selection and provision of instructional materials within the Clark County School District shall be consistent with the Nevada Content Standards and the district's curriculum standards. These materials shall be selected in the quantity and quality deemed appropriate by the professional staff and consistent with the financial resources of the district.
- II. It is recognized that differences of opinion regarding certain instructional materials will exist. The Superintendent agrees that the administration shall have the responsibility of making final selection where differences occur. However, to the extent possible, the administration will utilize procedures, which enable lay citizens and professional staff to register their reactions and suggestions regarding individual instructional materials.
- III. Disposal of instructional materials considered to be beyond repair or obsolete shall be in conformance with established administrative procedures.
- IV. Students and their parents or guardians shall be responsible for all instructional materials and equipment loaned to or used by the student and shall reimburse the district for any damage or loss of such items.
- V. Administrative regulations and procedures that govern each of the acts cited above shall be established.
