## PRELIMINARY SCHOLASTIC ACHIEVEMENT TEST (PSAT)

Fees: No cost for on-target sophomores and \$15.00 for juniors

Registration: Juniors may register at their high school

[www.collegeboard.com](http://www.collegeboard.com)

Wednesday, October 15, 2008

All Clark County School District students will take the PSAT at no cost during the sophomore year to provide data that will assist in determining the student's potential success in Advanced Placement (AP) courses. Taking the PSAT in the sophomore year also prepares the student for the SAT I. The PSAT taken as a junior (at the cost of the student) is used to identify National Merit Scholarship Semi-finalists.

Sunday test dates are scheduled following each Saturday test date for students who cannot test on Saturday because of religious observance.

Juniors who plan to go to college are encouraged to take required tests in the spring of the eleventh grade year, preferably the May/June tests. College bound seniors who have not taken one or both of the above required tests should register for the tests as early in the senior year as possible. The more competitive colleges/universities usually require that in addition to the SAT I, students take the SAT II by November of the senior year. Generally, schools require at least 2 subject tests. Check the testing requirements of the colleges you are applying to for specific information.
