

CLARK COUNTY SCHOOL DISTRICT REGULATION

1223

FUND RAISING

- I. It is the policy of the Clark County School District to discourage fund raising involving students for projects other than those directly connected with school-sponsored activities.
- II. School sponsored activities shall be defined as and limited to those authorized by the principal.
 - A. Approval of the principal is required. However, the school administrator will support the parent entity with fund raising events.
 - B. Good judgment in organizing activities shall be used and school regulations shall be observed.
- III. All school-sponsored events are subject to District regulations and procedures.
- IV. Gambling, money for money, or casino type games used as a school sponsored means for fund raising are prohibited. Raffles that comply with NRS are permitted. This section does not prohibit a charitable lottery (drawing) within the meaning of NRS 462.140(3)(a) – total value of the prized offered does not exceed \$2,500 and the organization operates no more than two such charitable lotteries per calendar year.
- V. When solicitation permits are required for school-approved fund raising activities, they shall be obtained prior to implementing the activity in accordance with Regulation 5132.2.
- VI. Fund raising by a recognized school parent entity may be authorized by the principal and therefore subject to school regulations and procedures when it involves students.
 - A. Door-to-door fund raising activities by elementary school students are to be neither encouraged nor promoted by school personnel.
 - B. Off-campus participation in fund raising activities involving elementary students requires prior written consent from the parent/guardian.
 - C. Students who do not participate in school sponsored fund raising are not to be discriminated against in any way.
