

## CLARK COUNTY SCHOOL DISTRICT POLICY

6150.1

### USE OF INSTRUCTIONAL VIDEO SERVICES BY OTHER PUBLIC SCHOOL DISTRICTS, CHARTER SCHOOLS, PRIVATE SCHOOLS, AND HOME SCHOOLING PARENTS

- I. KLVX Communications Group shall make Clark County School District's instructional television services available to all citizens on a subscription basis. ITV Services include use of educational programs distributed on television, ITFS, cable, video, tape, CD, broadband, or satellite systems and the use of supplementary materials such as teacher guides, lesson plans, or Internet sites created by the original program producer.
- II. CCSD divisions will be granted first priority for access to all programming and services.
- III. KLVX management shall annually establish a separate subscription rate for individuals and for organizations wishing to use ITV services and shall enter into agreements to provide such access.
- IV. Any costs for installation or maintenance of TV, cable, ITFS, broadband, or satellite equipment shall be the responsibility of the subscriber.
