## Position Summary

This position functions to accomplish multiple public works projects at existing Clark County School District facilities through the management and coordination of approved design professionals and contractors to ensure compliance with programmed budgets, schedules, plans, specifications, statutes, and regulations. This position is directly responsible to Coordinator IV, Construction Management, Facilities Services Unit (FSU).

---

## Essential Duties and Responsibilities

The list of Essential Duties and Responsibilities is not exhaustive and may be supplemented.

1. Coordinates and conducts numerous design review meetings with the design professionals, consultants, and other District personnel.
2. Reviews design documents; compiles and writes review comments at each design review stage.
3. Ensures all review comments and concerns have been addressed and incorporated by the architect/engineer.
4. Modifies scope of work and initiates Capital Authorization Form (CAF) to authorize additional funding, as required.
5. Coordinates the printing and distribution of various review deliverables.

6. Makes immediate decisions on-site for discovered items and design deficiencies so as not to delay the project.
7. Performs site inspections and documents findings; ensures quality of workmanship and compliance with contract plans and specifications; and submits status reports to project control center and senior management personnel.
8. Conducts weekend, holiday, and night site visits, as necessary, when construction crews work all hours of the day so as not to inconvenience the operations of the educational facility. Responds, as necessary, in the event of any emergency issues on the construction site such as broken electrical lines, ruptured water mains, gas lines, accessibility issues, etc.
9. Ensures code compliance reviews and inspections are conducted throughout all phases of design and construction.
10. Reviews project scope; designs submittals and construction estimates for constructability, conformance to budgets, and schedules; and directs adjustments, as necessary.
11. Ensures project schedules and budgets are established and met; notifies parties of any deviations and recovery schedules requested.
12. Recommends selection of architect/engineer; ensures architects are provided with contract front-end documents containing applicable supplementary and special conditions.
13. Arranges site surveys, geo-technical investigations, and environmental studies, and provides results to architect.
14. Schedules, conducts, and documents meetings (pre-design project analysis (PDPA), design review, project status, etc.); ensures applicable minutes are prepared and distributed.
15. Conducts site inspections and documents findings; ensures quality of workmanship and compliance with contract plans and specifications; and submits status reports to Project Control Center and senior management personnel.
16. Coordinates with other District departments, school staff, architects, contractors, utilities, and government entities, as required, regarding design and construction activities or issues.
17. Ensures code compliance reviews and inspections are conducted throughout all phases of design and construction.
18. Analyzes contractor schedules; approves and processes pay applications and invoices; and monitors project cash flow and schedule of values in relation to status of work in progress.
19. Monitors and analyzes contractor/subcontractor certified payrolls to ensure compliance with prevailing wage statutes.

20. Analyzes and resolves scheduling and claims conflicts or refers to appropriate management level to ensure resolution.
21. May serve as the District's liaison with various organizations to increase minority participation in the bidding process and the award of construction contracts.
22. Prepares bid advertisements, analyzes qualification packages of potential bidders; recommends approval/disapproval; conducts document pre-bid conferences and bid openings; and investigates and recommends approval or rejection of bid protests.
23. Directs professional and support staff personnel in execution of contractual responsibilities.
24. Prepares agenda item for Clark County School District Board of Trustees approval of contract award for projects greater than \$100,000; awards contracts less than \$100,000 with administrative approval.
25. Analyzes responses to Requests for Proposal (RFP) and Change Order Authorizations (COA) to determine cost and time impacts; processes approved change orders.
26. Coordinates multiple project schedules, phasing of work, and inspections and approvals by building officials and government entities.
27. Manages development and distribution of punch lists of defective/deficient work; ensures corrective work during warranty period.
28. Prepares estimates of value of defective/deficient work to identify funds to be withheld from pay applications.
29. Analyzes and documents performance/nonperformance of contractors, designers, and consultants.
30. Designs, manages, and constructs all projects in a fiscally responsible manner and maintains the education environment.
31. Conforms to safety standards, as prescribed.
32. Supervises and evaluates the performance of assigned staff.
33. Performs other duties related to the position, as assigned.
