

Project Facilitator, K-8 Mathematics

Position Details

Division: Human Resources

Classification: Certified

Terms of Employment: This is a salaried position assigned to the Licensed Employee Salary Schedule, 9 Months

FLSA STATUS: EXEMPT

Position Summary

The individual selected for this position will provide specialized support for teachers and administrators in K–8 mathematics. In addition, the project facilitator will plan, develop, and provide professional learning in the areas of mathematics curricula, instruction, and program support. The project facilitator will collaborate with Region personnel, members of the Southern Nevada Regional Professional Development Program (RPDP), and Clark County School District divisions and departments including, but not limited to: the Assessment, Accountability, Research, and School Improvement Division (AARS); Human Resources Division (HRD); English Language Learner Department (ELLD); and Student Services Division (SSD), to promote consistency in professional development activities in addressing District goals, initiatives, and objectives. This position is aligned with Article 35 of the 2010–11 Negotiated Agreement between the Clark County School District and the Clark County Education Association (CCEA). The individual selected for this position is responsible to the Director of K–12 Mathematics Department, Curriculum and Professional Development Division (CPDD), Curriculum, Instruction, and Assessment Unit (CIAU).

Essential Duties and Responsibilities

The list of Essential Duties and Responsibilities is not exhaustive and may be supplemented.
