

Teacher – Calculus Project

Position Details

Division: Human Resources

Classification: Certified

Terms of Employment: This is a salaried position assigned to the Licensed Employee

Salary Schedule, 9 Months

FLSA STATUS: EXEMPT

Position Summary

The Clark County School District Calculus Project is an initiative to increase the number of students who enroll in and successfully complete Advanced Placement (AP) Calculus. Completing AP Calculus in high school opens the gate for these students to enter the fields of Science, Technology, Engineering, and Mathematics (STEM), beginning in middle school. The person selected for this position will participate in the middle school Calculus Project, create long-range and daily lesson plans to implement high quality, standards-based instruction for all students aligned to the Nevada Academic Content Standards (NVACS) and the Nevada Educator Performance Framework (NEPF). The teacher will participate in all additional teaching activities required by the position. The teacher will promote and support all initiatives of the Calculus Project. The teacher will create and maintain a culturally responsive educational atmosphere that encourages effective student learning and supports school and District programs and goals. This teacher will be expected to adhere to the District *Professional Domains and Standards for Licensed Employees* and will report directly to the school site administrator.

Essential Duties and Responsibilities

The list of Essential Duties and Responsibilities is not exhaustive and may be supplemented.

1. Administers appropriate District curriculum, aligned with the NVACS.
2. Ensures the opportunity for all students to learn in a supportive, culturally responsive learning environment.

3. Creates and maintains a positive, orderly, and academically focused learning condition in the instructional environment.
 4. Develops and implements daily and long-range lesson plans using research-based strategies to meet the needs of all students, including but not limited to, students who have been identified as at-risk and above grade level, students with individualized educational programs (IEP), and English language learners (ELL).
 5. Aligns lesson planning, instruction, reflection, and assessment practices to the NEPF.
 6. Analyzes student data and progress with a balanced assessment system to provide effective and targeted instruction and interventions to maximize student learning.
 7. Provides a classroom management plan ensuring student safety at all times.
 8. Ensures assessment regulations and guidelines are followed at all times.
 9. Develops a culturally responsive classroom climate that promotes positive learning conditions.
 10. Collaborates effectively and professionally with administration, staff, parents/guardians, and the community.
 11. Integrates the use of technology into the instructional program in accordance with the Nevada K-12 Integrated Technology Standards.
 12. Participates in other job-related duties and activities related to the position, as assigned.
-
