**CAMPUS PARENT – CAMPUS STUDENT-MOBILE APP**

Infinite Campus has updated their mobile app to reflect the Campus Parent/Campus Student view. Campus Parent and Campus Student are new versions of the Campus Portal. They include features to be more useful, including a responsive design optimized for use on mobile devices and tablets.

Campus Portal will remain in effect until the end of the 2018-2019 school year while Infinite Campus migrates all aspects of Campus Portal to Campus Parent/Campus Student.

Use your existing user name and password to access Campus Parent or Campus Student, and/or the new Mobile App.

**MOBILE APP**

The new mobile applications, Campus Student (for students) and Campus Parent (for parents) can be downloaded from Google Play or the App Store. In the search field, enter either Campus Parent or Campus Student to find the application.

![Login Screen](image3.png)

You still have the ability to recover your username and/or password if the feature was set up in the **Account Settings** in Campus Parent (or previously in Campus Portal). If you need assistance, you may contact the **Portal Help Desk at 799-PORT (7678)**.

In the mobile app, there is a checkbox to “**Stay logged in**”. When using the feature, you will not need to log in each time you access the mobile app.
**ACCESSING CAMPUS PORTAL AND CAMPUS PARENT/CAMPUS STUDENT**

When logged into Campus Parent/Student, click on the drop-down in the upper left corner to change the view to Campus Portal.
**SETTINGS**

---

**ACCOUNT SETTINGS**

The Account Settings allow users to update their security email or change their password.

From the Settings screen, click Account Settings.

From here, you will have the ability to update (change) the Account Security Email or Password. The Account Security Email is where you set up an email address to retrieve information for a password or username reset (allowing you to use the features on the sign-in page, “Forgot Password?” or “Forgot Username?”).

Campus enforces strong passwords, meaning that passwords should have a mix of letters, numbers, and characters to make them more secure.
CONTACT PREFERENCES

Parents and students can manage their personal contact information, including Cell Phone, Work Phone, Other Phone, and Email Address. When you update, the changes will go directly into Campus and school personnel will have the most current information.

Parents and students can also manage their contact preferences by selecting the desired language, when you receive messages, and how you receive that message. We are currently only using email contacts.

From the User Menu, select Settings, then select Contact Preferences, and mark your desired options, and click Save.

CURRENT DEVICES

Current Devices allows parents and students to log out of a mobile device. This is helpful if you lose your device and want to log out of the application so that no one else can access information.

From the User Menu, select Settings, then select Current Devices, and a list of devices logged into Campus Parent/Student or the mobile app will appear. Click Log Off.
NOTIFICATION SETTING

This tool allows users to opt out of receiving specific kinds of notifications and establishes thresholds for those they want to receive. For example, you can set thresholds to receive notifications when a grade or score falls below the selected percentage.

Click on the Person icon in the upper right corner, then select Settings, and click Notification Settings.

Click on the Bell icon, in the upper right corner, to see a list of notifications. Click on each notification to “Mark as Read”, or use the “Mark All As Read” button.
