The second allocation will be made to each school by the end of October. This allocation, approximately 25% of the total, will be determined by the current budget formula now applied against the actual enrollment at the end of the fourth week of school.

In addition to the regular allotments, elementary schools that experience growth of 10 students or more between the official count date and December 31 shall receive the following allotments for instructional supplies:

- New Schools - $136 per student
- Established Schools - $ 59 per student
At the end of the fiscal year, the net ending balance of non-categorical in the projects of the General Fund and staff development, and Special Education Fund as shown on the school’s budget inquiry, will determine the amount of carryover to be allowed to the school. The carryover will be included in the second allocation in addition to the next year’s formula appropriations and will be allocated to the school’s instructional supply line item. This carryover is not allowed to exceed the following amounts:

- Elementary Schools - $ 5,000 per school
- Middle Schools - $ 6,500 per school
- Senior High Schools - $ 10,000 per school

In addition, senior high schools may retain gate receipts to the extent of 50% of the money received for admission to athletic events. Of this, 70% is allocated to student activities and 30% is allocated to athletic expenses. Unused gate receipts are carried over at 100% and are added to the next year’s gate receipt funds.
