BULLYING

Dr. Malich was introduced to the committee. She explained that the Education Services Division of Clark County School District is responsible for all things alternative, including discipline, bullying and cyberbullying.

CCSD Policy P-5137 was distributed to the committee which describes the Bullying and Cyberbullying policy (last updated 2.4.15). Dr. Malich described each of the points of the policy, indicating which points were new as of February 4, 2015. This policy, she stated, could be updated in the future if legislative changes are made that would affect any of the points described in P-5137.

She explained that a report of every allegation of bullying/cyberbullying for each school is reported to the Superintendent who, in turn, submits that information to the State.

Some other points of discussion included:

- School safety team anonymity
 - Members of each school's team is not secret
 - Ways of reporting of bullying/cyberbullying at school (when afraid to report)
 - Say No To Bullying website
 - Some school websites have a link to report bullying
 - Tell a counselor
- SUGGESTION: Have a branch on Infinite Campus
- Social media pictures
 - Any picture posted can be used by other individuals without permission.
 - Programs relating to bullying/cyberbullying

 - Low self esteem
 - Educating students about bullying/cyberbullying
 - Start in elementary school
 - See Something, Say Something

SUGGESTION: Create "Every 15 Minute" for Bullying/Suicide like the program for Drunk Driving.

It was recommended that committee members any other ideas to Dr. Malich. Mrs. Plante will send Dr. Malich's email address to the committee.

CLARK COUNTY SCHOOL DISTRICT BOARD OF TRUSTEES SCHOLARSHIP

Trustee Tew described the qualifications for the \$1,000 scholarship and reminded students the applications are due Friday, March 6, 2015.

OFFICER REPORTS

Keely Eshenbaugh reported from the February 26, 2015, board meeting.

SCHOOL BOARD MEMBER – FEEDBACK/TOPICS

Trustee Tew asked for feedback from the members about starting the school year earlier in order to close the first semester prior to the winter break. She shared information that was gained from a survey in 2010 which concluded that students were in favor of the change, staff were 55% in favor/45% against, and parents were opposed. An informal poll was taken and all but one student were in favor.

A discussion followed which revealed the following:

- Research has proven grades are higher closer to the material presented in class.
- Weather is too hot in August to start school earlier.
- Sports could be a concern – practices would be limited.
 - Washoe's school year starts earlier but sports start at the same time as the rest of the state.
- Too much homework is given over the break so it would be better to start earlier.

A motion was made to put this topic on the next agenda.

Motion: Chloe Davis, Cimarron-Memorial HS

Second: Kaylyn Taylor, Palo Verde HS

Vote: Unanimous

REVIEW STUDENT CONCERNS

- Minimum F grading policy whereby even if a student were to get a "zero" on an assignment, the grade would be "F" no matter what.

- Scholarships are due Friday, March 6, 2015.
