Approved Electronic Communication Systems

Regulation 4100 states:
A CCSD employee or representative/volunteer who wants to communicate through an electronic system with a student about an education-related matter, which includes athletic and extracurricular matters, shall only use approved systems, unless exigent circumstances exist.

Approved Systems*

Blackboard Connect (ParentLink)
Classcraft
ClassDojo
Edmodo
Flip Grid
Google
- Chat
- Classroom
- Drive
- Hangouts/Meet
- Mail

Infinite Campus Portal
Instructure Canvas
Microsoft Office 365
Nearpod
Pear Deck
Remind
Saba Centra
Seesaw
Student Success Agency

For a system to be approved, it must meet the following criteria:

- **Used with a District professional account (not tied to a personal account)**
- **Communication is logged**
- **Content is educational in nature and safe**
- **Compliant with FERPA and applicable Nevada data privacy laws**
- **Voluntary for parents and students or provides the option for the user to opt out of receiving communication**

*To submit a system for evaluation and approval visit
