

## CLARK COUNTY SCHOOL DISTRICT POLICY

1214

### SCHOOL VISITORS

- I. The Clark County School District welcomes and encourages visits to schools and other facilities by parents, other adult residents of the community, and interested educators. In order for the educational program to continue undisturbed when visitors are present and to prevent the intrusion of disruptive persons into the schools, it is necessary to invoke visitor controls.
- II. The administration has the authority to prohibit the entry of any person to a facility of this district or to expel any person when there is reason to believe the presence of such person would be inimical to the good order of the facility. If such an individual refuses to leave the area or creates a disturbance, the administration is authorized to request from the local law enforcement agency whatever assistance is required to remove the individual.
