The Clark County School District (the District) is committed to providing a safe, inclusive, and respectful learning environment for all students, including those with diverse gender identities or expressions, at all District facilities, including but not limited to, school buildings, school buses, school grounds, and at school-sponsored activities. State law protects students from discrimination based on gender identities or expressions.

II. Definitions

A. These definitions are provided not for the purpose of labeling students, but to assist in understanding this policy.

1. Classroom Activities: Activities that provide education or instruction for all students, other than field trips. Nothing in this definition requires adoption of a specific curriculum.

3. Gender Identity: A student’s understanding, outlook, feelings, and sense of being masculine, feminine, both or neither, regardless of the student’s sex assigned at birth.

4. Gender Support Team: When a child identifies as being gender diverse, a group is convened to address the individual needs of the student. The group will consist of the parent(s); the student; Equity and Diversity Education Department administrative team; as well as school personnel as determined by the administrator or designee of the administrator, including a counselor; and any representatives of community-based groups (including faith groups), as requested by the parent(s).

5. Parent: For the purpose of this policy, a parent is defined as 1) a biological or adoptive parent; 2) legal guardian; 3) a person acting in the place of a parent with whom the child lives; 4) a person who is legally responsible for the child’s welfare; or 5) an emancipated student.
III. Gender Support Plan to Address the Rights and Needs of Students with Diverse Gender Identities or Expressions

In order to address the rights and needs of students with diverse gender identities or expressions, a Gender Support Plan will be created for each student by the Gender Support Team, a team led by the school-site administrator or administrator’s designee.

A. The Gender Support Plan requirements and components will be consistent with the requirements of this policy. Each Gender Support Plan for students with diverse gender identities or expressions must include the following components:

1. Methods to ensure protection of the privacy of the student;

B. Schools shall take measures to ensure access to academic courses and services that are appropriate for and supportive of students with diverse gender identities or expressions, including, without limitation:
