

CONSTRUCTION BIDS

- I. The Board of School Trustees designates the Assistant Superintendent, Facilities Division, as its authorized representative in all matters pertaining to new construction, additions, rehabilitation, remodeling, renovation, modernization, maintenance, and/or repair of facilities, grounds, pavements, utilities, and other public works.
- II. The Assistant Superintendent, Facilities Division, may further designate/delegate authorized representatives as required.
- III. Advertising, bidding, award, and administration of public works contracts shall be in compliance with Nevada Statutes and district policies and procedures.
- IV. Only those contractors that have proven their qualifications as a responsible contractor and responsive to district requirements shall be allowed to bid district public works.
- V. The Board of School Trustees may exercise the right to reject any and/or all public works bids as necessary to ensure the best interests of the public.
