### **What If I'm already a member of EoS Fitness?**

- Enroll for the corporate membership online
- Email [wellness@eosfitness.com](mailto:wellness@eosfitness.com) afterwards with the new agreement information and your current agreement is cancelled with no further billing
- The annual membership fee on the new agreement will be moved to the following year on the same month you paid this calendar year
  - If you haven't paid the AMF this calendar year, it will come out with your first monthly invoice.
- Confirmation will be sent via email once processed.

### **What if the enrolling member is a minor?**

- Parent/Guardian enters all of the minor's demographic information EXCEPT Date of Birth
- Parent/Guardian enters their own DOB
- Parent/Guardian signs their name, not the minor's, when prompted to sign for the agreement
- Email [wellness@eosfitness.com](mailto:wellness@eosfitness.com) afterwards with your minor's agreement number and actual DOB
  - If minor is between 13-15 years of age, they can only attend the gym with a parent/guardian, never by themselves.
- Confirmation will be sent via email once adjustment has been made

\*\*Don't forget to register your new agreement immediately after signing up! It will allow you to review your visits, check your billing, enroll for classes online, and assign a home location for the gym that's most convenient for you.
