

B/SE-3: BOARD REPORT AND PROGRESS MONITORING
Adopted: 09/09/21

Board of School Trustees

CLARK COUNTY SCHOOL DISTRICT

Basic Precepts

The Board directs the Superintendent to conduct regular progress monitoring of all goals and commitments. The Board further directs the Superintendent to provide periodic updates of this progress monitoring to our community and the Board to facilitate transparency, accountability, and understanding of the work of the District in fulfilling the Board Vision and District mission, values, and its commitments to equity and accountability. Progress updates shall be calendarized and occur at Board meetings and work sessions as described in the Board Report Schedule policy and include the following:

- A. Short and long-term Strategic goals;

This process is part of the broader work of the Superintendent to ensure that the District monitors the effectiveness, outcomes, and impacts for all students from its curricula, programs, departments, initiatives, and overall work. Both the impacts of individual initiatives and programs on students, and the overall experience of students should remain in focus when monitoring and considering data about particular programs.

Data Used for Policy Decisions

Trustees shall strive to make policy decisions based on data (listed as “measures” in the Annual Monitoring Report Timeline), and information received in these reports that reflects the progress or the need for improvement toward these various goals and with consideration of the overall best interested (with respect to advancing the Board Vision and District mission, values, and commitments to equity and accountability) of each and every student in the District. Data may also be provided from other materials agreed upon by the Superintendent and a majority of the Board as measureable data identified to monitor progress of District goals. Data may come from multiple sources and could come in various formats to better identify challenges and implement solutions. All data from external sources should be reviewed by the Superintendent and approved for presentation by the Board President and Vice President prior to its presentation at a Board meeting.

Report Template Form

The Superintendent shall develop a common report template or set of templates and/or report guidelines to be used consistently for formal progress monitoring reports created by the Superintendent and district staff, and a clear process for the district to ensure that progress updates and reports to the Board and community are accurate, complete, and fully comply with this and other relevant policies. The Board will approve report templates annually and adhere to this procedure and accept the format of Board reports unless the majority of the Board vote to change the Board report content.
